March 17, 2007

Per the terms of General Chemical's Natural Gas Energy Adjustment Program, below is the three month forward average of the NYMEX Henry Hub natural gas index as of the close of business on March 14, 2008.

	<u>\$/MM BTU</u>
April	9.800
May	9.902
June	<u>9.976</u>
Average	9.893

Therefore, General Chemical's natural gas energy adjustment surcharge for soda ash purchases made during the second quarter of calendar year 2008 is \$7.50/NT.
