March 16, 2006

Per the terms of General Chemical's Natural Gas Energy Adjustment Program, below is the three month forward average of the NYMEX Henry Hub natural gas index as of the close of business on March 15, 2006.

	<u>\$/MM BTU</u>
April	7.143
May	7.304
June	<u>7.444</u>
Average	7.297

Therefore, General Chemical's natural gas energy adjustment surcharge for soda ash purchases made during the second quarter of calendar year 2006 is \$4.50/NT.
